Experience

2012 - Present FREELANCER

Too Much Sauce - Web Design & Development

Designed and developed a website using Bootstrap to help show off a series of animated GIFs. Currently working on converting into a Wordpress theme.

Ryan Bechtel - Web Design and Development

Redesigned and developed a responsive website that better highlights the client's work reel.

Kaelyn Benham - Web Consultation

Automated process of capturing new subscribers' email addresses by integrating Eventbrite and MailChimp using Zapier. Coded temporary "Coming Soon" page with MailChimp signup form. Helped set up hosting service with domain transfers and FTP accounts.

MK Education - Web and Graphic Design

Designed a set of header banners for website. Helped customize and complete website using Wix.

Chef Arun - Graphic Design

Developed a logo for the upcoming line of Thai packaged foods. Created artwork for rice bag packaging.

East China Inn - Graphic Design

Designed punch card coupons to increase customer loyalty.
